

Remarks

The specification has been amended to add a claim for priority. Claims 1-9 have been cancelled and claims 10-19 are newly added. New claims 10-19 are fully supported by the specification as originally filed, and better conform to U.S. practice. No new matter has been entered. Should there be any questions or outstanding matters, the Examiner is cordially invited and requested to contact Applicant's undersigned attorney at his number listed below.

Respectfully submitted,
